WHAT ARE WE ALREADY DOING?

* Publication Standards Checklist
  (Public Health England)
  ↳ librarian critiquing methodology

WILL DO
- create leaflets / links to PRISMA EQUATOR.
  raise visibility.

* Influence the Influencer
  - find a champion in institution

* Who is doing the work?
  ↳ Create a publication standard for the institution

* Create / Pre-fill PRISMA for researcher

* Create 'Research Reporting' Workshop

* EQATOR Librarian Network
  - place to share resources

* Reference Interview for Sys. Rev. Search
  - Check out POSTER.

*

* Review
  - Andrew Booths Table

+

50 Shades of Review
EAMIL CPD

* 2016 CAHL Motion to have librarians are involved in peer review → How/Can we put pressure?

ICMJE

Journal Editors.

? CAHIL Board?

---

* Ethics committee

---

* PubMed Commons and/or Comments on pubpeer (?)

---

* Volunteer as peer reviewer on LKS publication
— Read reviewer guidelines

niceday

* use the evidence to encourage better practice.

* Barriers?
- need for proactive approach

- making most of every conversation connection
